

**KONFORT** – International Spring Fair is the event heralding spring, with a biennial frequency, taking place every spring. Konfort is the ideal target for those who offer and seek new high-quality solutions.

Completely dedicated to the everyday comfort and personal wellbeing, the mosaic of Konfort is made up of pieces of colorful salons like the season in which the event is launched:

In the salon of furniture and interior design, new temptations to “live in the modern format”, to revive the classical style or to relax with the handicraft delight, are proposed by architecture and interiors studios, which with the row materials of the most well-known furniture producers, lighting equipments, textiles, household effects and accessories, meet the tastes of the wellbeing market.

**“NEW” YOUTH** is performing on the most amazing stage of Konfort: what does it like, how does it have fun, the books it reads, the music it listens to, working hours and leisure time, trendy and fashionable clothes, gadgets & gifts, accessories, cosmetic products, perfume shops, jewellery, sport items, fitness centers, swimming-pools, sport equipment, video / audiotapes, CD, DVD, music instruments and equipment, computers and accessories, electronic devices, autos and motorcycles.

**“Albania OMNITOUR”**, is the salon focusing on the real potentialities, driving motors, actors and responsible, the attention this sector seeks and the echo it spreads to the country’s benefit. The newest aspects and goals shall be offered to the public directly interested in acting in the sector of tourism or enjoy it: Agencies, hotels, agro-tourism, etc.

Vision of the un-known: Albania has not displayed yet its sources of touristic attractions. The uniqueness of geography, history, tradition, the already existing sources, trying to create or retake those areas not included so far in the “Albania” package, would be the focus of this salon.

In the Konfort school, the new and professional, ancient and hand-made shall be foreshadowed in style and wellbeing lessons. Both from the most famous architecture and interior design magazines shall be browsed:

- Contemporary interior design concepts
- Lost traditions of Albanian handicrafts
- Antiquary from South to North
- Fabric and hand-loom products
- Latest interior design trends of bars, pubs, etc.
